

TeamA2: Project APPLES

Members:

- Dietrich Reidenbaugh
- Billy Miller
- Timothy Lytkine

We've created a user with the following credentials for you to use during Phase 1 project.

These credentials work for both ssh-ing and MySQL on the server

Username: teamA2

Password: Ar9x5Y

Feel free to change the password if you wish, but make sure to communicate it with all team members and evaluating committee (Roxana & Dr. Narahari)

You are responsible for keeping this credentials secure. Only team members (listed here) should have access to them.
